

Join San Diego's Fight Against Hunger with the
Escondido Community Food Packaging Event

Sunday, November 28, 2010

Old Escondido Police Station

Hunger is a local and global crisis. You and your organization can help feed the hungry here in Escondido, San Diego County, Haiti, and Tanzania, Africa, by sponsoring this event. Your sponsorship provides dehydrated food packages containing 21 vitamins and minerals, rice, soy protein, and vegetables. Each packet contains 6 servings and is prepared by adding boiling water to the contents. At the food packaging event, these dry ingredients are measured, packaged, and crated to ship to areas of need.

Here's How You Can Help

Whether you sponsor as a large corporation, small business, or non-profit organization, your donation will directly purchase dry food ingredients and packaging materials. Our goal is to raise \$12,500 to purchase the dry ingredients and packaging materials to produce a minimum of 50,000 meals. At a cost of only 25¢ per meal, a dollar goes a long way. Your sponsorship will directly impact meeting the needs of the hungry.

This event is hosted by Grace Lutheran Church and the Escondido Community in cooperation with Friends & Family Community Connection (FFCC). Check out FFCC's website at www.ffccsd.org to learn more about FFCC's success in feeding the hungry.

Never doubt that a small group of thoughtful, committed people can change the world.

Indeed, it is the only thing that ever has.
