PrimeTime Disciples Ministry a.k.a. “PTD”

PTD began over 5 years ago as a 20 to 30 something group catering to singles and newlyweds. As our families grew, people stayed because the fellowship of Christian friendship.

This group understands the challenge of living in today’s fast paced world and the forces against the Christian lifestyle. We are dedicated to support each other in growing our faith, while having fun doing it!

If you think this is a group for you, please contact Everette or Hanna Scott at 760-294-2077.

Come join together with a dynamic group of friends as we discover what God’s word has for people in the prime of their lives! Whether single, in a relationship, or just starting a family; this group explores life’s challenges together. We are your fellow sisters and brothers in Christ, welcoming you to join in the fun!

PrimeTime Disciples Ministry (PTD) provides opportunity for worship and fellowship in a very casual and fun environment.

Each month, PTD meet on a Saturday for fun and fellowship and a Sunday for Bible Study. For more information, please contact the PTD Leaders via email at Ptd_Ministry@yahoo.com

or watch for information in the Grace bulletin. We look forward to seeing you!
