Home/Church/School

The home, in addition to the school, is a center for Christian education. It is the parents' responsibility to instruct, train, and direct the growth of the children placed in their hands by God. Explain how religion and discipline are carried out at home: _____

What is your main reason for wanting to enroll this student at Grace Lutheran School? _____

Upon admission to Grace Lutheran School, I/we as parent/guardian understand that:

1. All students are expected to respect the spiritual values as taught at Grace Lutheran School, including attendance at worship services.
2. In order to receive the member tuition rate, our family promises to abide by the Grace Lutheran Church and School's membership covenant.
3. We will carefully observe the rules and regulations of the school as printed in the Grace Lutheran Family Handbook.
4. The teacher has full discretion in the classroom discipline of my/our child(ren). (A copy of our discipline code is contained in the Family Handbook and from each classroom teacher).
5. My/our assistance and cooperation with the teachers is expected in order to assure completion of all homework assignments.
6. Tuition does not pay the full cost of my/our child's education and I understand that my/our support and willingness to help in various areas are required to maintain a quality education at Grace Lutheran School. Our family agrees to donate 30 hours of volunteer service to the school/church and generate \$250.00 in net proceeds to the SCRIP Program. Additionally we agree to practice good stewardship through regular Bible study, prayer, and cheerful giving to the ministries at Grace.
7. I/we assume financial responsibility for my/our child(ren) and agree to meet all financial obligations as due. We will sincerely and faithfully have the child apply himself/herself to the studies assigned.

Grace Lutheran School admits students of any race, color national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national or ethnic origin in administration of its educational policies, admission policies, or athletic and other school-administered programs.
