Helpful L.O.U.
Help Needed. About two weeks ago a military family lost everything in a house fire on base. They have a new home and have beds, furniture, etc. They are still having trouble making ends meet. They are in need of food, gas, truck starter and a freezer. If you can help with any of these items please contact Mary Lou Norris at 760 419 0239. THANK YOU!

News from the Fluegge Missionary Family
Dear friends in Christ,
Greetings in Christ’s name from Dapaong, Togo! Sorry it has taken me so long to get out this update…it was only yesterday that I finally got a workable internet connection.
First of all, I want to draw your attention to two videos that Susan has put together. As promised, here is the video of our kids reciting the small catechism for their confirmation. They worked hard on this, so we thought we would record the moment:

The second is my recent visit to the NEEMA Lutheran College in Matongo, Kenya:

Thank the Lord with us that travel from South Africa to Dapaong went smoothly with no hiccups. I left May 28 (Sat) for Ethiopia, spent the night, flew to Togo on Sunday, spent the night, and took the 12 hour bus ride to arrive in Dapaong on Monday evening. Three days of travel with no hassles (accept swollen feet and a sore behind!). Dieu Merci! (Thank God!)

What a joy to see dear co-worker and faithful laborer Dr. Dongo, Director of the CLET, and the other staff and faculty of the CLET. It has been nice to be back “home!”

Please visit the Fluegge family website at www.flueggefamily.com for the complete message from Reverend Glenn Fluegge.

High School Youth
Would you like an easy way to help our High School Youth group? We are in need of some firewood for our beach youth nights this summer and for our beach camping trip in June. We would love to have you drop off any firewood you have, but we can pick it up if needed. Contact Scott at 760-745-0831 ext 103 or Bob Ness at ext 110. THANK YOU!
Correspondence Information
Communicating with our Grace families is important to us. With our new website up and running and in an effort to be “earth friendly” we will be providing a portion of our information via e-mail or our website. In order for us to provide current information to our congregation, we are asking you to provide us with your current contacts. Please stop by the narthex and pick up a correspondence form. Forms are also available on the resources page of our website: www.gracelutheranescondido.org

VISIT OUR NEW GRACE WEBSITES!

Our new websites are now available! The address is the same for the church: www.gracelutheranescondido.org but slightly different for the school: graschoolescondido.org. Navigation from the church to school is as simple as one click from either website. Please take a look around the new sites and let us know what you think. We think you'll like what you find. Updates will show up on a regular basis so check back often and see what's happening at Grace! Don't forget we're also on Facebook. Sign in and “like” us! Many thanks to Shaila Schmidt for her tireless hours collecting content and giving feedback during the building of the websites. Here's something new you'll find on the website....
