

WHAT IS SCRIP?

Scrip is a term that means, “substitute money”. When church or school members purchase scrip, they’re purchasing negotiable gift certificates that are used just like cash. The national and local retailers issue the scrip where many families already shop. These merchants want to support non-profit organizations, and in return ask you to support them by shopping with scrip at their stores. You can use the scrip to purchase everyday items like food, gas, clothing, taking your family out to eat, and other essentials. With every purchase, revenue is generated for the church and school.

HOW SCRIP GENERATES REVENUE FOR GRACE

The scrip center acts on behalf of churches, schools and other non-profit organizations to purchase large amounts of scrip from grocery stores, department stores, and other retailers. Because the scrip is purchased with cash up front, the participating retailers offer a substantial discount. Grace then purchases the scrip from the scrip center and re-sells the certificates to our congregation and school families for **full face value**. The bulk of the discount – from two to fifteen percent or more is retained by Grace as revenue.

SCRIP IS “SHOPPING CART FUNDRAISING”

The reason for the effectiveness of scrip is simple: families generate revenue through purchases they would make anyway. Groceries, gas, clothing, toys, gifts and dining out cards can all be purchased with scrip. An organization of 150 families easily spends between one and two million dollars per year on food, clothing and other essentials. If these families use scrip for these purchases, they can raise as much as \$40,000 to \$80,000 per year for our school and church—*without spending an additional penny*. That’s right it is not costing you a penny to give that much to your church and school.
