

Elder meeting notes

Attending: Pastor Pete, Pastor Scott, AJ, John, Kevin, Darryl, Ron, Matt

- The meeting opened with prayer by having everyone around the table pray aloud and concluded with all praying the Lord's Prayer.
- Communication with other leadership groups was discussed. How can we do a better job? What needs to change?
- We need to develop our framework and standards for deaconesses before inviting them to the Board of Elders. May need a different title from deaconess to avoid confusion with the LCMS Deaconess program.
- Grace Latino Ministries is working with Council on specific budget.
- There was a lengthy discussion regarding the Senior Pastor Transition Team, the process, and the candidates. Ultimately it was agreed to let the SPTT meet and propose a course of action to the Board of Elders. The team is scheduled to meet this Thursday, December 6th.
- Pastor Scott shared a special community recognition to Grace from the Escondido Police Department.
- The meeting closed with prayer.
